120th REPORT

OF THE

NEWCASTLE UPON TYNE

EYE HOSPITAL.

LADIES AND GENTLEMEN,

The Committee of Management have pleasure in submitting to the Governors and Subscribers, the 120th Annual Report, with the Statement of Income and Expenditure for the year ended 31st December, 1941.

The work done at the Hospital has again increased.

A new record figure has been reached in the Out-Patients' Department, no fewer than 16,476 new patients attending during the year, compared with 14,456 in 1940.

The number of Prescriptions issued for Spectacles totalled 4,666.

The attendances of patients (new and old) for treatment, were 44,015 as against 36,560 in the previous year. It is a matter of interest that 1,139 patients were treated during the night, between the hours of 8.30 p.m. and 7.30 a.m.

In-Patients in the Main Hospital numbered 538, and 171 were admitted to the Hospital Annexe at Brunton House, compared with 595 and 79 respectively in 1940, a total of 710 against 674.

The Honorary Surgeons' Report on these activities will be found on page 11.

The work in the Orthoptic Department, also continues to increase, in spite of the partial evacuation of School Children. A report by Mrs. Taylor, the Orthoptist, will be found on page 12.

Mr. H. H. Aitchison and Mr. J. L. Wilkie (two of our Honorary Surgeons) are still on Active Service, and Mr. Norleigh Booth, a member of the Committee of Management, is in the Navy.

The absence of his colleagues, has meant considerable extra work for Mr. MacRae, our Senior Honorary Surgeon.

The Committee is greatly indebted to him and to Mr. H. Percy Bennett and Mr. A. T. Paterson, the Honorary Consulting Surgeons, who have continued to give assistance in the Out-Patient Department.

The work at Brunton House Annexe, Wall-on-Tyne, continues. The more important operations are performed there, and the patients benefit from the quietness and the comparative safety of the country. The patients greatly appreciate the kindly interest taken in their welfare by Mr. and Mrs. Wood.

The illness of our Chairman, Mr. A. Selby Wood, has been a matter of very sincere regret to the Committee. It is hoped that his health will soon permit him to preside at our Meetings again. We are indebted to Mr. Paterson, our Vice-Chairman, for the work he has done in Mr. Wood's absence.

Mr. Parrish, has also been in poor health during most of the year, and has been unable to attend our meetings. We wish him a speedy recovery.

The Hospital has lost many useful friends during the year, among these, special mention must be made of the following.

Lord Armstrong. One of our Vice-Presidents, was untiring in his devotion to the Hospitals in this area, and to this Hospital in particular. He gave freely of his time and money, for all charitable objects.

Mr. L. H. Booth. Was for six years Chairman of the Committee of Management. His legal knowledge, foresight, and able direction were of inestimable value to the Hospital.

Miss K. W. Stuart, M.B., B.S. Our Junior Resident House Surgeon was killed during the air raid on December 29th. She had served the Hospital well, and gave promise of becoming an able Ophthalmic Surgeon.

Alderman W. Golightly. President of the Northumberland Miners' Mutual Confident Association, was a Governor for many years, and at times a member of the Committee of Management. For a considerable period he was Chairman of the Workmen Governors' Committee. He also was a victim of enemy action, being lost in the Atlantic, when the ship in which he was a passenger, was torpedoed.

Mr. Percy F. Ward. Was one of our Annual Subscribers, and acted as Honorary Auditor for the Ladies' Linen Guild.

The appointment of Miss Jane Cowen, of Stella Hall, Blaydon-on-Tyne, as an Honorary Life Governor of the Hospital, was unanimously approved, in appreciation of her generous donations to the Hospital Funds during the last few years.

Admission to Membership of the " Association of Special Hospitals " was obtained during the year, and meetings of the " North Eastern Regional Hospitals Advisory Council," for the future co-ordination of Hospitals, have been attended by our representatives.

Further expenditure has been necessarily incurred in Air Raid Precautions, and under the Fire Prevention Order, amounting to £201. It is hoped, that a proportion of these costs will be re-imbursed by the Ministry of Health, in due course.

Static Water Tanks have been erected in the garden, with a capacity of 800 gallons, sand containers placed in suitable places, hen walks, gangways, and ladders fixed on roofs, and bunks erected in the air raid shelter. A further scheme for strengthening the shelter is also under discussion with the Ministry of Health Architects, and will be carried out immediately it is approved, and sanctioned by them.

The Committee are especially grateful for the handsome gift of £700 from the Vickers'-Armstrongs Employees' Medical Fund, in addition to their usual quarterly contributions.

This amount has been added to the balance already standing to the credit of the Vickers-Armstrongs Employees' Equipment and Instrument Fund, inaugurated some time ago. This is used at the absolute discretion of their representatives for the purchase of Instruments and Equipment.

The East End Aid Committee have regretfully felt compelled to cease their activities, for the duration of the war, owing to the great difficulties experienced in the distribution and collection of the Mile of Pennies Cards. A cheque for £80 was handed over in May, representing their effort for the previous year, making a total of £997-14-2 collected by them, since the inception of their effort in 1933, when they set out to raise £1000 towards our funds.

They are to be heartily congratulated on their splendid achievement.

THE COMMITTEE OF MANAGEMENT TAKE THIS OPPORTUNITY
OF EXPRESSING THEIR GRATEFUL THANKS

to the following :

All the *employees* of the numerous Works, Shipyards, Collieries, Co-operative Societies, and business establishments, who have contributed during the year. On their generous support the maintenance of the Hospital very largely depends, and without their help, it would be unable to provide the high standard of efficiency which it always strives to maintain.

The Workmen Governors who take a lively interest in the working of the Hospital, and make many valuable suggestions at their quarterly Meetings.

The Annual Subscribers and Donors for their continued subscriptions and donations.

The Ladies' Committee for their invaluable help under the able Chairmanship of Mrs. A. Selby Wood.

The Ladies' Linen Guild under the direction of Mrs. A. T. Paterson, which provided the Linen required by the Hospital.

The Helpers and Collectors who gave their services on the FLAG DAY STREET COLLECTIONS and particularly Mrs. H. E. Carr, of Chester-le-who once more organised the appeals at Chester-le-Street (£14-9-2) and Birtley (£12-17-9) and Mrs. Soppitt of Fence Houses, who initiated a new effort in that area which realised £15-0-7.

The Newcastle upon Tyne Street Collection this year was easily a record, the sum raised amounting to £245-16-10.

The Rev. Canon F. G. Goddard (Vicar of Jesmond Parish Church) for his continued kindness in arranging the weekly services of worship at the Hospital.

F. M. Kellet, A.C.A., Honorary Auditor.

Messrs. Clayton & Gibson, Honorary Solicitors.

Messrs. Lloyds Bank, Ltd., Honorary Treasurers.

The various collectors of Silver Paper, tin foil, etc., from the sale of which the Hospital received £4-18-6.

The Committee also wish to convey their appreciation to the Matron, the Nursing Staff, the House Surgeons, the Acting Secretary, the Domestic and remaining Staff, for their devoted service through all the difficulties experienced during the year, and for combining so loyally to preserve and maintain the happy atmosphere characteristic of the Hospital.

CHRISTMAS 1941.

The Lord Mayor, Lady Mayoress, and Civic Party visited the Hospital on Christmas morning, being received by Mr. A. T. Paterson and Matron, and made a tour of the wards.

Mr. James Beresford, one of our life Governors, was also welcomed during the day.

A modified Christmas fare was provided for the patients which was very much appreciated.

An enjoyable concert, was given by the Nursing and Domestic Staff, to the patients and their friends, which proved a great success. Special lighting effects being kindly loaned for the purpose, by Messrs. Falk, Stadelmann & Co., Ltd., 3 Prudhoe Street, Newcastle upon Tyne.

The patients and staff were also entertained by a concert party from the R.A.F. Station, Benton, in charge of Pilot Officer Page Arnold. This was in appreciation of treatment received by Sergeant Newton whilst a patient in the Hospital.

Miscellaneous Gifts were gratefully received and acknowledged from the following :

Lady Allendale, Mrs. Attwood, Dame Maud Burnett, British War Relief Society of America and British Red Cross, Mrs. Dewhurst, Mrs. Ellison, Mrs. Gale, Lady Grey of Howick, Miss H. M. Harrold and Party, The Ladies' Committee, Mrs. McConnell, Northumberland Needlework Guild, Mrs. Watson, Mrs. A. Selby Wood, and Mr. Youngman.

The Secretary begs indulgence for any errors or omissions and would welcome his attention being drawn to the fact.

A. SELBY WOOD, J.P., Chairman.

A. T. PATERSON, Vice-Chairman.

CECIL S. KENNADY, Secretary (Acting).

FINANCIAL SUMMARY.

In presenting this financial summary for 1941 and the three preceding years the Committee of Management are very pleased to report a satisfactory increase in the ordinary income during the year.

The response to our endeavours to obtain New Contributors has been most gratifying this year, but there are still many establishments, whose employees take advantage of our services, who do not contribute.

These patients cannot be turned away, but the Committee feel that in due fairness to other regular contributors, they should appreciate our services, by giving us some measure of support.

An appeal is, therefore, made for their consideration.

As the number of patients increases year by year, so of necessity does our expenditure, and it is of vital importance, therefore, that our income should correspondingly increase, to enable us to maintain the high standard of efficiency to which we set ourselves.

A comparative summary of Income for 1941 and the three preceding years is given below.

EYE HOSPITAL LINEN GUILD.

President : THE RIGHT HON. THE LORD ARMSTRONG, D.C.L., D.L., J.P.

Hon. Organiser : MRS. A. T. PATERSON.

It is regretted that the Report and Accounts were not available up to the time of going to press.

To all who have the welfare of the Hospital at heart.

The Secretary is always anxious and willing to give his attention to all requests for information regarding the Hospital and its working, and freely offers his time and thought to the consideration of any scheme or effort, for raising funds for its benefit.

The splendid work being done by our surgeons is in itself an inspiration and incentive to everyone, to help further that work, by attracting support of our needs, to ensure a continuance in the future of the very high standard of efficiency which is so characteristic of the Hospital and of which all are so justly proud.

The following figures illustrate our activities since 1931.

By becoming a Life Governor (donation of £50 and upwards).

By endowing or naming a Bed (£1,000) or Cot (£500).

By bequeathing a Legacy to the Hospital in your Will.

EYE HOSPITAL,
ST. MARY'S PLACE,
NEWCASTLE UPON TYNE, 2.

IMPORTANT NOTICE TO ANNUAL SUBSCRIBERS.

INCREASE OF SUBSCRIPTIONS BY RECOVERY OF INCOME TAX.

Subscribers to the Hospital give their subscriptions out of Income upon which they have already paid tax, but the Hospital can recover the tax, as described below.

Many are unaware that in certain circumstances the Hospital is able, by Recovery of Income Tax on Annual Subscriptions, to increase the amount given by the Subscriber.

Any Subscriber filling up the accompanying Form of Agreement not only enables the Hospital to recover the Income Tax on that subscription, but can himself deduct the total credited amount of that subscription from his Sur-Tax return.

The standard rate of Income Tax now being 10/- in the £, the hospital can recover one guinea for every guinea annually subscribed.
